

Helping Partners Achieve PPP Success

Paycheck Protection Program & Servion Commercial Loan Resources

Between March 27 and August 8, 2020, more than \$530 billion was distributed to businesses to help them continue paying workers and avoid layoffs during the initial phase of the coronavirus pandemic.

Servion Commercial Loan Resources was proud to assist community financial institutions as they worked through the PPP process with their business members and customers.

Distribution

*These facts are specifically about PPP loans Servion Commercial Loan Resources was involved in. These statistics are not representative of the entire Paycheck Protection Program.

Servion Commercial Loan Resources assisted partners throughout the duration of the Paycheck Protection Program's existence. We did it by tailoring our solutions to fit each partner's unique needs, not by trying to force a one-size-fits-all solution. We'll be ready to help you too, if Congress reauthorizes the program.
