

MORTGAGE LOAN PROCESSOR

Servion, Inc. is a credit union service organization (CUSO); not a credit union. We have over 50 owners and hundreds of retail partners. We've proudly held an outstanding reputation for service in our ever-evolving industry for over 30 years. We accomplish this with a focus on relationships. Our culture thrives on teamwork and cooperation.

What makes The Servion Group different?

- Is security and stability important to you? We don't hire and lay off in waves. We recruit and strive to retain the best talent in the industry.
- Hate a corporate/bureaucratic environment? We're not too big and not too small. We're just the right size for a great culture. Our employees LOVE working here!
- We don't throw you to the wolves after watching a half dozen videos. We provide hands-on training with the support and resources you need to do your job with confidence.
- We don't just say it...we actually promote from within. We have 5 companies and over a dozen departments under one roof with an abundance of opportunities to develop new skills and to advance.
- We treat our employees like we treat our borrowers...like real people...not like a number. We understand that people don't care how much you know until they know how much you care.
- We listen. Our motto is: Be The Solution. Your ideas are welcome here!

Wake up excited to go to work!

- Do you enjoy convenience, comfort and quality technology? We have free parking and an easy commute. Treadmill work stations and a fitness center. Casual dress code. Encompass mortgage software with responsive IT support onsite.
- Reap the rewards of your effort with great pay and a generous benefits package. Medical, dental, life, vision, disability, retirement accounts with 5% match (fully vested after just one year!), generous paid time off including your birthday, and 10 paid holidays.
- We give back. Servion supports the community and our Charity Committee organizes several events each year. It feels good to work here.

What does it take?

We are committed to attracting and retaining skilled individuals who exhibit competence and a commitment to providing the best service. We look for:

- highly energetic, positive attitude, respectful, competitive and driven but a team player
- problem-solver, organized, attentive to detail, accuracy and passionate about customer service
- conventional, FHA and VA experienced processors (note: this is not a remote position)

If these qualities describe you, submit your resume and cover letter to jobs@myservion.com.
